(e) the steps taken by Government to bail out the Corporation in critical condition so that minority community continues to secure funds;

(f) whether Government proposes to, help minority community to secure loans at subsidized rates for setting up projects; and

(g) if so, the details thereof?

THE MINISTER OF MINORITY AFFAIRS (SHRI A.R. ANTULAY): (a), (b) and (d) National Minorities Development and Finance Corporation (NMDFC) provides financial assistance to beneficiaries belonging to the minority communities through State channelising Agencies (SCAs) and non-governmental organizations (NGOs). Some SCAs have a weak infrastructure resulting in low recovery from beneficiaries.

(c) An amount of about Rs. 742.35 crores is outstanding, not all of which is due-yet.

(e) The overall recovery position of NMDFC under the term loan scheme is 82%. However, to further improve the situation, a scheme of grants-in-aid for strengthening the SCAs was started in 2007-08, after repeated advisories to State Governments for improvement of the infrastructure of SCAs elicited little response. It is expected that such assistance would, among other things, improve the delivery system of SCAs leading to better recovery of loans.

(f) and (g) NMDFC provides financial assistance, on concessional terms, to people belonging to the minority communities living below double the poverty line. Term loans are extended at 6% and micro-finance at 5%, to eligible beneficiaries. The Central Government has already contributed Rs. 520.36 crores towards the equity of NMDFC and the outlay for contribution to the equity of NMDFC in the XIth Plan is Rs. 500 crores.
